This is a Charity Memorial Golf Tournament to honor and celebrate the life and legacy of Art Cañez Sr. who suddenly passed away on March 12, 2014. Art was an extremely talented Master Mason and Carpenter who over his 40 year career became a tremendous influence in the Masonry Industry throughout the state of Arizona. One of Art’s passions was supporting the AMCA’s Masonry Apprenticeship Program as he truly enjoyed assisting others to develop the skill set needed to succeed in the Masonry Business. In honor of Art Cañez Sr., 100% of all funds raised, after cost, will be donated to the AMCA’s Masonry Apprenticeship Program. Come out and participate in the 5th Annual Art Cañez Sr. Memorial Golf Tournament and help support the AMCA’s Masonry Apprenticeship Program. “Let’s Do It!” (Art Art)

AMCA Masonry Apprenticeship Program Overview:

AMCA’s Masonry Apprenticeship Program combines both theory and practice through supervised, on-the-job-learning and related theoretical classroom and lab instruction. Apprentices graduate from this three-year program with increased job security and nationally recognized Journeymen credentials.

Employers actively participating in Apprenticeship have a competitive advantage, as Apprenticeship establishes partnerships with employers and employees. It takes under-skilled or semi-skilled workers to the experienced level. For more information about AMCA’s Masonry Apprenticeship Program, contact Lisa Prichard at 602.262.0510 or lisa@azmasonry.org.
