Join the Legislative Committee to support:

We need to support our incumbent Senator Martha McSally. She is a proven leader in the U.S. Senate and a fighter for what is right. A 2nd amendment supporter for the right to bear arms. Pro-life, pro-business, small government, border protection and tax cuts are things she fights for us on every day. There are millions of dollars pouring into Arizona to try to take her seat away and bring gun control, open borders, tax increases, defunding the police and the Green New Deal. We need to support her in every way we can.
